

**CPP
PROFILE**

ASIS proudly congratulates the thousands of professionals who have sought and attained the CPP—the profession's highest recognition.

A Source of Never-Ending Support

Margarita "Maggie" Castillo

**Manager - Security Operations
University Hospital
Albuquerque, NM**

Industry: Healthcare Security

Job Responsibility: All security operations of the facility, staff training, development of training programs, and general staff management.

Education: Attending the University of Phoenix in pursuit of a Bachelors of Science in Information Technology

Years in Security: 22 years

Year Earned CPP: 1995 **Year Joined ASIS:** 1995

Why I Pursued the CPP: "Attaining the CPP credential was a challenge and a test of my breadth of knowledge of the security industry."

How the CPP Benefits Me: "As a CPP, I am part of a vast network of security management professionals who are of the highest integrity and also a source of never-ending knowledge and support."

Value of the CPP: "The CPP announces my credibility as a professional, not only for myself but also for the company I represent."

Why Security Professionals Pursue the CPP Designation: "The CPP credential identifies our dedication and commitment to the industry and compels us to pursue excellence. It is undoubtedly the key to many professional resources and privileges."

Achievements: At the 47th Annual Seminar and Exhibit in San Antonio, Ms. Castillo was presented with the Region IV Award for Distinguished Achievement by the Certified Protection Professional Program. Achieving the CPP is what she considers to be the greatest achievement of her career.
