### Presentation of Awards

Regional winners have until August 1<sup>st</sup> to decide on one of three options to receive their award:

1. Have their award presented by a PCB member in the Certification Lounge during the 2010 ASIS International conference in Dallas, TX.
2. Allow their Chapter Chair and/or RVP to present their award at an appropriate chapter/regional meeting. If option 2 is chosen, award plaques will be sent to the respective RVP and/or Chapter Chairs by mid August.
3. Have their award and plaque sent to an address that they provide.

The Organization Award of Merit will be presented during the Tuesday General Session at the 2010 ASIS annual conference. More details about the exact date and time will be provided in the ASIS certification newsletter and website. If an organization's representative is unable to attend the General Session to accept the award on their company's behalf, they will be contacted to provide alternative instructions for the delivery of the award.

**Thank you again for your support!**

**Let's continue to provide incentives to all those committed to the security profession.**
