**AlliedBarton Security Services Launches First Security Webinar Series**  
*ASIS Attendees Given First Opportunity to Register*

**ANAHEIM, CA, September 21, 2009** – AlliedBarton Security Services, [www.AlliedBarton.com](http://www.AlliedBarton.com), the industry's premier provider of highly trained security personnel, launches its first security webinar series at ASIS 2009, Booth #3300, from September 21-24 at the Anaheim Convention Center in Anaheim, CA.

The AlliedBarton Webinar Series will highlight a number of safety and security related topics including workplace violence, security focused customer service and background screening.

ASIS attendees will have the first opportunity to register for the series kick-off, Practical Preparedness for Workplace Violence, which is scheduled for Oct. 28, 2009. Attendees can register at the AlliedBarton booth, #3300.

“Providing security information and serving as a resource for our customers, prospects and the general public is an important part of our core purpose to serve and secure the people, homes and businesses of our communities,” explained Doug Fogwell, Senior Vice President of Marketing & Sales Services. “Utilizing webinars can allow our audience to attend very worthwhile informational sessions in a very sustainable way.”

In addition to launching the webinar series, AlliedBarton is also participating in ASIS education sessions. *Security from the Inside Out* is a seminar being presented by Rik Lisko, AlliedBarton VP/GM, and Jeff Wizeb, HR Plus Vice President of Business Development. AlliedBarton's CSO, Tom Browning, will be a panelist for the *Chief Security Officer Organizational American National Standard* seminar.

AlliedBarton Security Services is the industry's premier provider of highly trained security personnel to many industries including commercial real estate, higher education, healthcare, residential communities, chemical/petrochemical, government, manufacturing and distribution, financial, and shopping centers and malls. Responsive, customer-focused security officers and managers at our client sites are supported by award-winning national resources developed from over 50 years of security experience. Our more than 50,000 employees and 100 offices service a client base of several thousand which includes approximately 200 Fortune 500 companies across the country. AlliedBarton was the first security services company selected as one of Training magazine's Top 125 training companies and has been on the list for four consecutive years.
