

Saad Mered
Chief Executive Officer, Middle East and Africa

Saad Mered was appointed CEO Middle East & Africa for Zurich's General Insurance Segment in October 2010. Saad joined Zurich in November 2008 and oversaw Zurich's operations and strategic growth initiatives in the Middle East. He was particularly responsible for launching and expanding Zurich's General Insurance capabilities in the region.

Saad started his professional career at AIG in 1994 where he held various positions during his long tenure with the company. He commenced his career as a Financial Lines underwriter and progressed to regional management product and segment functions in Europe as well as leading AIG's Egypt operations post acquisition. His last assignment at AIG was a global role in the implementation of their small business strategy. He was based in New York, Paris and Cairo.

He holds a Juris Doctorate from Georgetown University and a Bachelor of Arts in Political Science from the University of California, Berkeley.
