

PowerPoint Tips

- Sessions at the ASIS Annual Conference are intended to be educational and are not expected to be used as a marketing opportunity. Please make sure to keep the logo of your company on the first and last pages of your PowerPoint only. You may also include your contact information on the last slide of your presentation.
- If you would like to use the ASIS format for your PowerPoint please feel free to [download the template](#).
- Below are some useful links that might assist you in developing your power point presentations.
