

COWBOYS ★ Golf Club

Saddle up for the ASIS Foundation 2010 Golf Classic

Join friends, clients, and colleagues for a great day of golf at this year's Golf Classic at the Cowboy's Golf Club.

This exciting course is the first and only NFL-themed course and features stone markers highlighting the historical achievements of the Cowboys team. A prestigious display of the team's coveted Super Bowl trophies and numerous collectibles honoring legendary players and their accomplishments are also displayed on the grounds.

Participants will compete in a four-player, scramble format. Breakfast, player gifts, and a buffet lunch are included with your entry fee. And, what tournament would be complete without mulligans, door prizes, and top honors? We'll have them all. And, this year, the Foundation is also pleased to partner with the Military Liaison Committee (MLC) to raise funds for the Wounded Warrior Project. Look for a special display at this year's tournament to make a donation.

Get your foursome(s) together and plan on a great day! Proceeds benefit the ASIS Foundation and its mission to advance the security profession.
