Dear ASIS Member:

The worldwide community is deeply saddened and shocked by the devastation wrought by Hurricane Katrina and its aftermath.

As a member of ASIS International, we are reaching out to each of you to let you know that we, as an organization, have attempted to communicate with our fellow members in the affected areas to let them know that they are in our thoughts and prayers, and that the strength of our entire Society stands ready to assist in any way we can. A special e-mail address has been set up so that those members can contact ASIS directly if they have a specific need.

We are urging all our members to do what they can to assist those less fortunate who have been affected by this tragedy, whether in the form of a donation to a relief agency or some other type of support.

Our heartfelt condolences go out to all those who have been touched by this tragic event. We firmly hope that they and their families are safe.

Sincerely,

Daniel J. Consalvo, CPP
President, ASIS International
