

The United States Security Industry

Size and Scope, Insights, Trends, and Data

TABLE OF CONTENTS

Introduction	11
Report Data	14
Using This Report	18
Structure of the Report.....	19
1. Security Product & Services Market	21
A. General	21
B. Products.....	28
C. Services.....	49
2. Security Personnel Market.....	63
3. The Evolution of Security and Its Current and Future Challenges	69
A. Role & Requirements	69
B. Place, Perception & Influence	84
C. Evolving Challenges.....	97
4. The Security Professional Profile	107
A. Top Security Executives	107
B. Security Officers.....	117
5. Security Organization, Coordination & Management	121
A. Alignment & Integration	121
B. Responsibility & Oversight.....	140
6. Outsourcing of Security	151
A. Trends in Outsourcing Relationships.....	151
B. Management Norms & Contract Performance.....	159
7. Security Budgets: Trends, Priorities & Obstacles	169
A. Norms & Trends	169
B. Cost Management	179
Publishers' Note.....	189

TABLE OF FIGURES

Introduction	11
Figure 1. Type of Organization of Respondent	14
Figure 2. Industry Category of Respondent's Organization	15
Figure 3. Number of U.S. Employees of Respondent's Organization	15
1. Security Product & Services Market	21
Figure 4. Current Annual Spending on Security Goods & Services	22
Figure 5. Proposed Government Homeland Security Spending by Department, 2013	25
Figure 6. Private Sector Security Spending, 2012	26
Figure 7. Expected Private Sector Security Market Growth in 2013.....	27
Figure 8. Key Drivers of Growth for Security Products and Services.....	28
Figure 9. Private Security Spending on Security Equipment, 2012	29
Figure 10. Security Departments With a Long-Term Security Equipment Plan by Organizational Revenue	32
