TABLE OF CONTENTS

Introduction	11
Report Data	14
Using This Report	18
Structure of the Report	19
1. Security Product and Services Market	21
A. General	21
B. Products.....	30
C. Services.....	52
2. Security Personnel Market	67
3. The Evolution of Security and Its Current and Future Challenges	75
A. Role and Requirements	75
B. Place, Perception, and Influence	92
C. Evolving Challenges	106
4. The Security Professional Profile	117
A. Top Security Executives	117
B. Security Officers	128
5. Security Organization, Coordination, and Management	133
A. Alignment and Integration	133
B. Responsibility and Oversight.....	152
6. Outsourcing of Security.....	163
A. Trends in Outsourcing Relationships	163
B. Management Norms and Contract Performance	172
7. Security Budgets: Trends, Priorities, and Obstacles.....	177
A. Norms and Trends	177
B. Cost Management.....	186
Publishers' Note	193

TABLE OF FIGURES

Introduction	11
Figure 1. Type of Organization of Respondent	14
Figure 2. Industry Category of Respondent's Organization	15
Figure 3. Number of U.S. Employees of Respondent's Organization.....	15
1. Security Product and Services Market	21
Figure 4. Current Annual Spending on Security Goods and Services.....	22
Figure 5. Proposed Government Homeland Security Spending by Department, 2013.....	24
Figure 6. Private Sector Security Spending, 2013-2015.....	26
Figure 7. Projected Annual Spending on Security Goods and Services, 2014-2015	27
Figure 8. Private Sector Security Spending by Category, 2013-2015	28
Figure 9. Private Sector Security Market Growth by Category, 2013-2015.....	28
Figure 10. Average Security Market Growth by Category and Type of Organization, 2013-2015.....	29
Figure 11. Key Drivers of Growth for Security Products and Services	29
Figure 12. Private Security Spending on Security Products and Equipment, 2014-2015	30
Figure 13. Private Security Spending on Security Equipment/Devices by Category, 2014-2015	30
Figure 14. Security Departments With a Long-Term Security Equipment Plan by Organizational Revenue	34
