Chapter 1: What Is a Security Risk Assessment?	1
The SRA: A Particular Type of Risk Assessment	2
Objectives and Intended Audience of the SRA	4
When Is a Risk Assessment Necessary?	5
Assumptions and Limitations of the SRA	7
References	9
Chapter 2: Introduction to SRA Concepts	11
Security Management Principles	11
Business Approach to the SRA	12
Key Variables	14
Mitigation Measures	21
References	23
Chapter 3: Risk Principles	24
Risk Assessment and Risk Management	24
ASIS/RIMS Risk Assessment Standard Principles	28
The SRA: An Evaluation Based on the Threat	30
References	31
Chapter 4: Planning and Performing the Site Survey	32
Planning for an SRA	32
Site Survey	34
Explanation of the Consultant's Requirements	36
The SRA Team's Role	38
Lighting Survey	38
Critical Assets Picture Taking	41
Asset Criticality Continuation	41
References	41
Chapter 5: A Step-by-Step Approach—Step 1: Facility Characterization	42
Identify Critical Assets, Processes, and Infrastructure	42
Identify Internal and External Infrastructure and Dependencies	49
Identify Existing Safeguards and Countermeasures	51
Evaluate Criticality	54
Avoid an Extravagance of Critical Assets	65
Conduct Site Survey	79
Conduct Post-Site Survey Criticality Workshop	84
References	85
Chapter 6: Step 2: Threat Assessment	86
Threat Identification	88
Threat Evaluation	92
References	109
Chapter 7: Step 3: Vulnerability Assessment	110
Evaluate Existing Countermeasures	110
Develop and Evaluate Reasonable Scenarios	126
References	128

Chapter 8: Step 4: Risk Evaluation	129
General Advice Regarding Form 4	131
Exercise: Completing Form 4	132
References	136
Chapter 9: Step 5: Risk Mitigation	137
Asset	138
Scenario	138
Existing Risk	138
Proposed Countermeasures	139
Applicable Scenarios	139
Residual Risk	139
Calculate the Residual Risk	140
Chapter 10: The Report's Executive Summary	143
Summary Content	143
Power of Pictures	144
Chapter 11: The Security Risk Assessment As a Project	146
What Is a Successful Security Risk Assessment?	146
What Could Be the Causes of Failure?	148
To Conclude	154
