Dear Kursad,

On behalf of the ASIS International Board of Directors, your thousands of colleagues around the world, and the headquarters staff, please accept our sincere condolences for yesterday's horrific terror attack.

ASIS International stands with you and is prepared to assist in any way we can. We have made available [a collection of resources](#) to help communities worldwide prepare for and respond to these senseless attacks on innocent civilians

We firmly hope that all members of the ASIS Turkey Chapter and their families are safe. Please extend to all of them our thoughts and prayers.

Sincerely,

David C. Davis, CPP
