Regional Award Criteria

Regional Award to Recognize Outstanding Contributions to Certification

Purpose: To recognize certified security professionals who have made significant contributions to the advancement of the CPP, PSP or PCI designation.

Requires that a certificant (or certification holder) must have made significant contributions to the advancement of one or more ASIS International designations on the local, regional or national level.

An individual may receive a maximum of three awards. They may be nominated no more than twice in a three-year period, with a two-year wait period if they are to be nominated for a third award.

Contributions may include, but are not limited to, the following:

- Increasing the awareness of, and the pursuit of, professional certification among security practitioners;
- Creating awareness of the value and credibility of the CPP, PSP and/or PCI designations outside of the security profession;
- Contributing significantly to the quality of the chapter or regional certification study program through such activities as (but not limited to) distinguished service as a Chapter Certification Representative or leader in the development of chapter study material or educational tools

The award will be given on an "as appropriate" basis, with no requirement that it be made annually. **Nominations will be accepted from any member in good standing of the Society. Regional Vice Presidents should notify the PCB of award recipients by July 1.** Award recipients should be recognized at a chapter or regional level. Recipients will be listed and promoted at the ASIS Annual Seminar and in ASIS publications and web site.

No current sitting SRVP, RVP or Member of the ASIS Board of Directors is an eligible recipient, unless the PCB makes the recognition directly. Institutions or individuals who have monetary or an otherwise vested interest in ASIS International certification programs cannot be nominated for an award.

Submissions received after June 14 will be rolled over to the 2014 nomination period.
