

# ASIS International and Law Enforcement

---

HELPING LAW ENFORCEMENT PROFESSIONALS GROW  
IN THEIR CAREERS AND SUCCEED IN THEIR JOBS

# Aim Higher with ASIS International

## Credibility. Influence. Success.

Wherever you are in your career, whether just entering law enforcement or preparing for a second career, ASIS International has the tools, resources, and professional network you need to achieve your goals. As the largest organization for security management professionals worldwide, ASIS International embraces every security discipline across sectors, from operational to cybersecurity.

Thousands of current and retired law enforcement personnel become members of ASIS. They benefit from stronger relationships with peers in the private sector as well as gain a deeper understanding of the depth and breadth of opportunities within the security profession.

### ASIS MEMBERSHIP PROVIDES:

- Real-life, practical knowledge you can apply in your job
- Reliable, vetted intelligence that will keep you at the forefront of the profession
- A global network you can count on to support your career development
- Direct access to the best security jobs and career resources
- A platform to establish and build strong partnerships with private sector counterparts

Most important, there is mutual trust, support, and professionalism among members that extends across borders, as well as within our 242 chapters. Whether you need a fresh perspective or help with a professional challenge, you can rely on ASIS' extensive member community, 35,000 strong.

Learn how you can join this worldwide network by visiting [asisonline.org/LE](https://asisonline.org/LE).

## Councils Build Connections

An ASIS member benefit, our 34 Councils provide an open forum for security professionals from every industry sector to share best practices, collaborate on common issues, and discuss emerging trends. Of special interest to law enforcement members:

### LAW ENFORCEMENT LIAISON COUNCIL

Fosters and facilitates strategic alliances between law enforcement, business, and security stakeholders to advance critical infrastructure protection, business recovery, and assets protection efforts; lends support to external partnership initiatives that have broad application and high value to the security industry; and have a long-standing commitment to the development of public-private partnerships (P3) initiatives and transition training.

# Reach New Heights in Professional Excellence

## Earn an ASIS board certification.

An ASIS board certification conveys mastery of security principles and skills, experience, and a commitment to excellence.

Distinguished by their global development and application, ASIS certifications are transferable across all industry sectors and geographic borders.

### FOR LAW ENFORCEMENT PROFESSIONALS, ASIS BOARD CERTIFICATIONS:

- Provide a way to build on previous security experience
- Help develop a proactive orientation
- Ease the transition to a career in the private sector

### ASIS BOARD CERTIFICATIONS:

- **Certified Protection Professional (CPP®)**  
Provides independent confirmation of your ability to assume leadership responsibilities and effectively manage broad security concerns.
- **Professional Certified Investigator (PCI®)**  
Provides independent confirmation of specialized skills in security investigations, including case evaluation and review of options for case management strategies.
- **Physical Security Professional (PSP®)**  
Provides independent confirmation of expertise in conducting physical security surveys to identify vulnerabilities and performing a cost analysis for the selection of integrated physical measures.

*“Earning my CPP made me more knowledgeable on the overall topic of security. I thought I knew a lot already. In fact I did. But there really was so much more to know.”*

Rudolf J. Friedrich, CPP,  
Chief Inspector, U.S. Marshals  
Service-Ret, Principal, Global  
Marshals, LLC.

*Qualified U.S. applicants may receive reimbursement for the certification exams through the G.I. Bill. An application is available at [gibill.va.gov](http://gibill.va.gov) or call +1.888.442.4551 and request VA Form 22-1990.*

## About ASIS International

ASIS International (ASIS) is the largest membership organization for security management professionals that crosses industry sectors, embracing every discipline along the security spectrum from operational to cybersecurity. Founded in 1955, ASIS is dedicated to increasing the effectiveness of security professionals at all levels.

With membership and chapters around the globe, ASIS develops and delivers board certifications and industry standards, hosts networking opportunities, publishes the award-winning *Security Management* magazine, and offers educational programs, including the Annual Seminar and Exhibits—the security industry’s most influential event. Whether providing thought leadership through the CSO Center for the industry’s most senior executives or advocating before business, government, or the media, ASIS is focused on advancing the profession, and ensuring that the security community has access to intelligence, resources, and technology needed within the business enterprise.
