

## CPP PROFILE

*ASIS proudly congratulates the thousands of professionals who have sought and attained the CPP—the profession's highest recognition.*

**The CPP designation identifies me as an accomplished security professional!**

**MICHAEL G. JORDAN, CPP**

Security Manager  
Lockheed Martin TACCSF Program  
Kirtland Air Force Base, NM

**Industry:** Department of Defense Industrial Security

**Job Responsibility:** Onsite security manager for a Department of Defense contractor, responsible for all aspects of the contractor's security program.

**Education:** Master of Science in Business Administration  
Master of Arts in Computer Resources Management  
Master of Arts in Security Management

**Years in Security:** 16      **Year Earned CPP:** 1994      **Year Joined ASIS:** 1992

**Why I Support the CPP:** "The CPP program is a way for security professionals to attest to the business world that they have achieved the highest possible level of expertise within the security industry."

**How the CPP Benefits Me:** "Being a CPP indicates to both my superiors and customers that I stay current on the latest security management practices and issues, and that my responses can be relied upon."

**Value of the CPP:** "The CPP designation brings value not only to me, but also to my company and my individual program. It indicates to our customers that a qualified professional who adheres to high industry technical and ethical standards supervises the security program administered here."

**Why Security Professionals Pursue the CPP Designation:** "The CPP designation is acknowledged as an achievement of professionalism throughout the security industry and is becoming more widely recognized in other elements of the business world as well."

**Achievements:** Mr. Jordan completed a successful 20-year military career in the United States Army in 1987 and then continued to serve with the New Mexico Department of Military Affairs, retiring in 1998 as a Brigadier General. He served two years as Chapter Chairman of the New Mexico ASIS Chapter. Jordan is currently Faculty Mentor and Adjunct Instructor in Security Management with the Webster University Business and Organizational Security Management program in Albuquerque, NM.
