

**CPP
PROFILE**

ASIS proudly congratulates the thousands of professionals who have sought and attained the CPP—the profession's highest recognition.

Open the door to career opportunities

Ben McGlaughlin, CPP

Director, Security, Parking & Transportation
The Children's Hospital of Philadelphia

Industry: Healthcare Security

Job Responsibility: Manages the proprietary security and contract parking and transportation programs associated with a healthcare network. Included is a main hospital campus and 38 outpatient specialty care, primary care, and physician practice locations.

Education: Bachelor's degree in Criminal Justice with a minor in Political Science.

Years in Security: 16 **Year Earned CPP:** 1996 **Year Joined ASIS:** 1991

Why I Pursued the CPP: "My mentors and those I emulated within the industry were all CPP's. I wanted to demonstrate my commitment and level of knowledge to my current and future employers and to contribute to the professionalism of the industry."

How the CPP Benefits Me: "The CPP benefits both my employer and myself and provides credibility to my position as the leading internal expert on security matters for my organization."

Value of the CPP "There is a lot of value illustrated in the recruitment benefits for CPP's. As a senior level manager responsible for recruiting those with security skills, the CPP demonstrates to me that the candidate has acquired a level of knowledge and is committed to their profession. Networking with other CPPs has been valuable to me professionally."

Achievements: Ben serves on the Healthcare Security Council (1999 to present) and is the Vice-Chair of the Item Development Group (IDG) that is responsible for developing test questions for the CPP exam. He has held various assignments including Secretary 1999, Vice-Chair 2000 and Chapter Chairman in 2001 at the local level in the Greater Philadelphia Chapter (031). He also serves as the Philadelphia Chapter Vice-Chairman for the 2002 Seminar in Philadelphia, PA.
