

## *We're here for you!*

---

*"The WIS council provides a platform for women to accelerate their career path with the help of seasoned leaders. At the core we seek to grow ASIS International's global membership by encouraging the next generation of women into the industry."*

Gail Essen, CPP, PSP (Chair)  
Donna Kobzaruk (Vice Chair)  
Buffy Christie (Secretary)

---

### **Membership**

While this group's benefits and programs are tailored for women, we encourage and welcome the participation of all ASIS members dedicated to the advancement of women in the security industry.

### **Specialty Programming**

Gain knowledge and strategies relevant to your career goals through programming tailored to women in the workplace. Accomplished professionals share their expertise and insight on a range of issues facing women today, including leadership, career development and work/life balance.

## *About ASIS International*

---

We are the global leader in security professional development, education and standards, transforming lives through the leadership we provide, the communities we create, and the products and services we deliver.

### **To ASIS Member Stakeholders**

- We promise best-in-class member services.
- We promise opportunities to build relationships, exchange ideas, and share insights and best practices with peers around the globe.
- We promise education and professional development opportunities that help you be more effective in your job and that support you at every stage of your career.
- We promise you an opportunity to be involved in the direction and work of our Society.
- We promise to be a global advocate for and a positive impact on the profession.

## *WOMEN IN SECURITY*

### **Support • Inspire • Promote**

These three pillars represent our mission for women in all areas of security through networking, mentoring and leadership.
