

Bio for Andrew Barker

Sr. Project Manager, Educational Services, Axis Communications, Inc.

Andrew Barker is the Sr. Project Manager for educational services at Axis Communications. He heads the core content development team that creates classroom and online training, as well as collaborates with third-party educational organizations to build strong partnerships in the technology community.

Mr. Barker joined Axis in 2011 as an Associate Trainer. Since then he has served as a Technical Trainer before assuming his current role.

Mr. Baker is an Axis Certified Professional, Physical Security Professional (PSP) and a Certified Alarm Technician (CAT). Along with these he holds a number of other certifications in areas such as VMS platforms, networking, 3D drawing tools and educational development platforms.

Mr. Barker has also been published in both the Training Magazine and VARinsights. The links and titles to those articles are included below.

Training Magazine: “3 Best Practices For Enhancing Corporate Training Programs”
