PAKISTAN

On behalf of the ASIS International Board of Directors, your thousands of colleagues around the world, and the headquarters staff, please accept our sincere condolences on the horrific terror attack that occurred in Lahore yesterday.

At a time like this, we stand ready to help you in any way we can. While we realize that the impact of this shocking and vile attack will fall primarily on the chapter, we want to reinforce that the strength of the entire ASIS International organization is available if needed.

We firmly hope that all members of the ASIS International Pakistan Chapter and their families are safe. Please extend to all of them our thoughts and prayers at this troubling time.

Sincerely,

David C. Davis, CPP
