### 2. My Certifications

- Applicant will see any open applications and they can view the details of the application if submitted but will not be able to enter any additional information.
- For applications that have not yet been submitted, the applicant will be able to continue entering application information.
- An applicant can apply for any certification for which they do not have an open application, or they are not certified in one of the certifications.

## CERTIFICATION MANAGEMENT

[Back to My Profile](#) [My Account Menu](#)

**My Open Applications**

Certification	Application Type	Start Date	Status	
CPP	CPP-Certification	12/22/2017	Pending Exam	<a href="#">Application Details</a>

[APPLY NOW](#)

To apply for a certification click Apply Now as shown above. The next screen will show certification application options available to the applicant.

3. To start the application, click on one of the certification types as shown below.

## CERTIFICATION PROGRAMS

**Credential: Professional Certified Investigator**

The Professional Certified Investigator (PCI) credential provides demonstrable proof of an individual's knowledge and experience in case management, evidence collection, and preparation of reports and testimony to substantiate findings. Those who earn the PCI are ASIS board-certified in investigations.

 [PCI](#)

**Credential: Physical Security Professional**

The Physical Security Professional (PSP) credential provides demonstrable knowledge and experience in threat assessment and risk analysis; integrated physical security systems; and the appropriate identification, implementation, and ongoing evaluation of security measures. Those who earn the PSP are ASIS board certified in physical security.

 [PSP](#)

4. On the next screen click on Apply Now

## Submit Application – Attestation

- Applicant reads attestation and types in their first and last name. The name must match what ASIS has on file.

- Click agree.

Submit Application | [Terms And Conditions](#)

By my signature, I attest that the information I submit herein or in any required accompanying or subsequent documentation is true and accurate to the best of my knowledge.

I understand that persons who apply for certification as a Certified Protection Professional (CPP), Professional Certified Investigator (PCI), or Physical Security Professional (PSP) or persons who have been certified by ASIS International, are subject to ASIS International's eligibility requirements for certification, recertification and to the ASIS Certification Code of Professional Responsibility.

I understand that in order to maintain my certification, I must re-certify every three years by reporting a specified number of Continuing Professional Education (CPE) credits, in accordance with ASIS policy and procedures for submitting such reports. I understand that CPE credits may be earned through education programs and courses and other activities, and that all CPEs must conform to the requirements specified in ASIS International's Recertification Guide. I further understand that from time-to-time ASIS International may amend its requirements. Policies, and procedures to include: initial certification, recertification, and the Code of Professional Responsibility.

I also understand that I may be subject to audit at any time and that ASIS International reserves the right to take action for failure to comply with the audit procedures.

While holding ASIS International certification, I agree to notify ASIS International in writing immediately if I fail to comply with any of the requirements for gaining or maintaining certification or recertification, such as, but not only limited to, no longer being in the profession, no longer holding Lifetime Retired status due to returning to full-time employment, failing to earn the number of CPE credits needed to maintain certification or to be recertified, or having been disciplined – including suspension, expulsion or loss of the credential – as a result of having been found in violation of the Code of Professional Responsibility. I also agree to notify ASIS International in writing of any address or name change(s) within thirty (30) days after the change becomes effective.

If requested to do so, ASIS International may verify my certification status.

I attest that I have completed all certification and/or recertification requirements.

I agree that by typing my first name and last name constitutes my electronic signature and understand it is legally binding:
