2. Aggressive drive for corporate donors to ASIS foundation.

Please Describe Your Understanding Of The Role Of A Member Of ASIS International Nominating Committee.

To work with other members to review nominations into the board using the agreed template and present those that meet the criteria for elections into the board.

Based On This Understanding, In What Specific Ways Could You Contribute/Make An Impact?

What Professional Efforts Make You Deserving Of This Candidacy?

I have served in almost all the leadership positions at the chapter and regional level over the past 22 years and I understand what integrity and confidentiality in ASIS mean. I have also conducted elections at the chapter level and I know the importance of adhering to the policies of ASIS.

I was the second Nigerian based in Nigeria to be certified in 2004 as a certified protection professional. I was an ambassador of the CPP program from 2004-2006. Started the first CPP centres in Lagos, Abuja and Portharcourt, all in Nigeria without being paid as a facilitator. I used my own money for airfare and accommodation just to ensure that the number of CPP holders in Nigeria increase beyond two. My Lagos centre produced 5 CPP's in 2005 while my Portharcourt and Abuja centres produced 1 CPP each.
