## Application for CSO Center Life Membership

Thank you for your interest in becoming a member of the Chief Security Officer (CSO) Center for Leadership and Development as a Life Member.

### Qualifications:

If you wish to be considered for CSO Center Life Membership, you must qualify for or already be an ASIS RETIRED member in good standing of ASIS International and meet the following qualifications:

- ASIS Retired Membership
  - A member of ASIS International for the past ten (10) consecutive years.
  - Over the age of 67.
- CSO Center Life Membership (in addition to the above requirements):
  - A current and active member of ASIS and the CSO Center who has been in good standing for ten (10) or more years but no longer holds a position that would qualify that person for CSO Center membership.
  - Applicant must be fully retired (on or after January of the calendar dues year) from the practice of security, though he or she may perform pro-bono security services.
  - Have made a significant contribution to the CSO Center, including, but not limited to, service on the Advisory Council or a committee, presentations at CSO Center/ASIS events, significant member recruitment, content development, and conference/site hosting.

Applicants must also submit the relevant documents required as outlined below. The CSO Center Membership Committee will review your materials and present its recommendation to a panel, which makes all final decision on membership. You will be advised of that decision within 5-7 business days after the application has been finalized. Membership may be revoked if applicant does not remain an engaged and active member of the CSO Center or continue to abide by membership qualifications.

Membership in ASIS is nonrefundable, individual, and is not transferable from one person to another. You remain CSO Center Life Member as long as ASIS retired member status is retained.

PLEASE PRINT CLEARLY.

I certify that all information on this form is true and complete to the best of my knowledge and belief. I understand that verification of ASIS retirement status and CSO Center Life membership is required each subsequent year by submission of a CSO Center Life Membership qualification form. If approved, my status will immediately be changed to reflect retired membership. However, my annual dues will reflect the status as of the next annual dues billing. No refunds will be issued.
