

ASIS International and Law Enforcement

HELPING LAW ENFORCEMENT PROFESSIONALS
GROW IN THEIR CAREERS AND SUCCEED

Aim Higher with ASIS International

Credibility. Influence. Success.

Wherever you are in your career, whether just entering law enforcement or preparing for a second career, ASIS International has the tools, resources, and professional network you need to achieve your goals. As the largest organization for security management professionals worldwide, ASIS International embraces every security discipline across sectors, from operational to cybersecurity.

Thousands of current and retired law enforcement personnel become members of ASIS. They benefit from stronger relationships with peers in the private sector as well as gain a deeper understanding of the depth and breadth of opportunities within the security profession.

ASIS MEMBERSHIP PROVIDES:

- Real-life, practical knowledge you can apply in your job
- Reliable, vetted intelligence that will keep you at the forefront of the profession
- A global network you can count on to support your career development
- Direct access to the best security jobs and career resources
- A platform to establish and build strong partnerships with private sector counterparts

Most important, there is mutual trust, support, and professionalism among members that extends across borders, as well as within more than 240 chapters. Whether you need a fresh perspective or help with a professional challenge, you can rely on ASIS' extensive member community, 35,000 strong.

Learn how you can join this worldwide network by visiting asisonline.org/transition.

Councils Build Connections

An ASIS member benefit, more than 30 Councils provide an open forum for security professionals from every industry sector to share best practices, collaborate on common issues, and discuss emerging trends. Of special interest to law enforcement members:

LAW ENFORCEMENT LIAISON COUNCIL

Fosters and facilitates strategic alliances between law enforcement, business, and security stakeholders to advance critical infrastructure protection, business recovery, and assets protection efforts; lends support to external partnership initiatives that have broad application and high value to the security industry; and have a long-standing commitment to the development of public-private partnerships (P3) initiatives and transition training.

Reach New Heights in Professional Excellence

Earn an ASIS board certification.

An ASIS board certification conveys mastery of security principles and skills, experience, and a commitment to excellence.

Distinguished by their global development and application, ASIS certifications are transferable across all industry sectors and geographic borders.

FOR LAW ENFORCEMENT PROFESSIONALS, ASIS BOARD CERTIFICATIONS:

- Provide a way to build on previous security experience
- Help develop a proactive orientation
- Ease the transition to a career in the private sector

ASIS BOARD CERTIFICATIONS:

- **Certified Protection Professional (CPP®)**
Provides independent confirmation of your ability to assume leadership responsibilities and effectively manage broad security concerns.
- **Professional Certified Investigator (PCI®)**
Provides independent confirmation of specialized skills in security investigations, including case evaluation and review of options for case management strategies.
- **Physical Security Professional (PSP®)**
Provides independent confirmation of expertise in conducting physical security surveys to identify vulnerabilities and performing a cost analysis for the selection of integrated physical measures.

“Earning my CPP made me more knowledgeable on the overall topic of security. I thought I knew a lot already. In fact I did. But there really was so much more to know.”

Rudolf J. Friedrich, CPP,
Chief Inspector, U.S. Marshals
Service-Ret, Principal, Global
Marshals, LLC.

By earning the CPP, PCI, and PSP designations, employers, partners, and peers will instantly recognize you as the “best of the best.”

Qualified U.S. applicants may receive reimbursement for the certification exams through the G.I. Bill. An application is available at gibill.va.gov or call +1.888.442.4551 and request VA Form 22-1990.

Scholarships and More

The ASIS Foundation is proud to make scholarships and grants available to support our chapters and help individuals achieve their career goals in the security profession and related fields. These include scholarships covering expenses related to preparing for ASIS board certification, as well as additional career development scholarships and grants.

We encourage you to visit asisonline.org/scholarships to review offerings and application deadlines.

ASIS Military/Law Enforcement Appreciation Day

Held annually at the Global Security Exchange (GSX)
(Formerly the ASIS International Annual Seminar and Exhibits)

To thank you for your service, all active duty law enforcement, military, and first responders are invited to take advantage of FREE admission to GSX on this special day.

THE COMPLIMENTARY ONE-DAY PASS INCLUDES:

- Wednesday's keynote
- Admission to all education sessions on Wednesday
- Access to the exhibit floor featuring the latest technology and services—plus career services, thought leader forums, and more
- Countless networking opportunities

See details at gsx.org/ML

About ASIS International

ASIS International (ASIS) is the largest membership organization for security management professionals that crosses industry sectors, embracing every discipline along the security spectrum from operational to cybersecurity. Founded in 1955, ASIS is dedicated to increasing the effectiveness of security professionals at all levels.

With membership and chapters around the globe, ASIS develops and delivers board certifications and industry standards, hosts networking opportunities, publishes the award-winning *Security Management* magazine, and offers educational programs, including the Global Security Exchange—the security industry's most influential event. Whether providing thought leadership through the CSO Center for the industry's most senior executives or advocating before business, government, or the media, ASIS is focused on advancing the profession, and ensuring that the security community has access to intelligence, resources, and technology needed within the business enterprise.
