The Security Industry’s Leading Publication

Security Management is ASIS International’s award-winning flagship publication, serving the exclusive 34,000+ ASIS member community, as well as the security industry at large. Our timely online news, insightful features, and engaging podcasts and videos—complemented by two printed show distribution issues—help inform our readers so they can protect people, property, and information in a rapidly changing world. Our readers are security’s most qualified and influential security decision makers—your best prospects. ASIS members value their publication’s commitment to the highest quality of editorial content, excellent graphic design, and minimal ad saturation, which means your message delivers greater impact and never gets lost in the noise.

Email Charlotte.Lane@asisonline.org (Companies # through L) or Femke.DiCesare@asisonline.org (Companies M through Z) to reserve your ad placement today.
New for 2023

After 50 years in print, Security Management is changing the game, becoming digital, mobile, and agile with a digital-centric publication. This will result in content that is timelier, shareable, and topical—which can be sponsored to help align your message with our award-winning journalism. See the 2023 Editorial Calendar on page 2 for more information.

In addition to our digital-first approach, Security Management will publish two printed issues per year for show distribution at ISC West and GSX—contact your sales manager for details and to reserve your placement.

Multimedia

Security Management Highlights is a monthly podcast that brings the security professional expert interviews and information on the most critical industry topics. Each month, our podcast team interviews thought leaders and industry professionals, as well as editors from Security Management. In the first eight months of 2022, SM Highlights had more than 12,000 listens, with some of the most popular topics including building cultures of safety, evolutions in global organized crime, workplace violence in remote workplaces, and insider threat.

PODCASTS

Podcast Commercial Placement and Sponsorship
Provide a 30-second audio commercial that will play during the show. No commercial? No problem. The podcast host can read your scripted message on air. Sponsors may also provide a subject matter expert, who can be interviewed for a five-minute non-promotional segment on a topic that aligns with the Security Management editorial calendar. Plus, your organization will be mentioned as the episode’s sponsor at the beginning and end of the podcast.

INVOICES AND CREDIT: Our invoices are NET 30 DAYS, with no prepayment discounts. Commissions disallowed on invoices not paid within 30 days of invoice date. Overseas advertisers must prepay each insertion before publication date NET US dollars.

New advertisers and agencies must prepay their first insertion. After credit approval, we will following publication. No advertiser or agency with invoices more than 60 days outstanding will be permitted to place advertising or contract for exhibit booths until all outstanding invoices are paid. Advertisers and agencies with records of delinquent payment to ASIS International will be required to prepay until they have re-established good credit.

Payments received will be credited to the oldest outstanding balance.

DISCOUNTS, REBATES, AND SHORT RATES: You will be billed at the one-time rate unless we have entered into an advertising contract. An advertiser who does not complete a committed schedule will be subject to a short rate.

COMMISSIONS: Commissions of 15% of gross billing for space and color are granted on accounts paid within 30 days of invoice date. 15% commission is available on all space.

Mechanical charges, tip-in charges, and classified advertising are not commissionable.

Commissions are extended only to recognized agencies.

We require written confirmation of the agency appointment from the advertiser. If we bill the advertiser, our invoice will be for the gross amount.

CANCELLATIONS AND CHANGES:
Cancellations of or changes to existing insertion orders must be made in writing before the publication’s closing deadline to which the insertion order applies. Ads cancelled after the issue closing date will be billed at the prevailing space rate.

CONDITIONS: All advertising is subject to publisher’s approval and agreement by the advertiser to indemnify and protect the publisher from loss of expense or claims to suits based upon the subject matter of such advertisements.

You may make promotional references to Security Management with prior written permission.

We reserve the right to place the word “advertisement” with copy that could be mistaken for editorial material.

Insertion orders placed by an agency represent acceptance of all terms and conditions in this rate card. We are not bound by conditions appearing on order blanks or copy instructions when such conditions conflict with terms and conditions. Nor are we bound by conflicting contracts and orders received from advertiser or agency.

Insertion orders are accepted from agencies with the understanding that the agency is acting as the advertiser’s representative. Agency and advertiser are jointly and severally responsible for all space, color, position, and mechanical service charges incurred by either.

DISCOUNTS:
Contracts cover placements within a 12-month period beginning with the month of first placement. Contracts provide advertisers with rate protection for the length of the contract, so long as all placements are fulfilled.

FREQUENCY:
• Multiple ad placements within the same product count toward contract frequency discounts.
• Subsidiary companies can share frequency under a parent company “umbrella”contract.
• Frequency and umbrella discounts will not be honored if all components of original contracted program are not fulfilled.

SERVICES TO ADVERTISERS: We can assist in making modifications to your advertisements if allotted enough notification before publication date. Charge for services: Cost plus 20% (non-commissionable; charges start at $200 minimum).
