Multimedia

Security Management Highlights is a monthly podcast featuring expert interviews on key industry topics. Our team interviews thought leaders, industry pros, and Security Management editors. In the initial seven months of 2023, SM Highlights had 13,000+ listens, covering popular subjects like safety culture, global crime evolution, remote workplace violence, and insider threats.

PODCASTS
Podcast Commercial Placement and Sponsorship
Provide a 30-second audio commercial that will play during the show. No commercial? No problem. The podcast host can read your scripted message on air. Sponsors may also provide a subject matter expert, who can be interviewed for a five-minute non-promotional segment on a topic that aligns with the Security Management editorial calendar. Plus, your organization will be mentioned as the episode’s sponsor at the beginning and end of the podcast.

$3,000 per episode
Average listens per Security Management episode: 1,600

Article Development

ASIS readers are Security Management’s greatest strength. Their experience and day-to-day desire to protect lives, property, and data give them the unparalleled ability to help other security professionals protect their interests.

If you are a security professional and would like to write for Security Management, email Managing Editor Claire.Meyer@asisonline.org or call 703.518.1444. If you are interested in writing a Security Technology article, email Megan.Gates@asisonline.org or call 703.518.1474.
INVOICES AND CREDIT: Our invoices are NET 30 DAYS, with no prepayment discounts. Commissions disallowed on invoices not paid within 30 days of invoice date. Overseas advertisers must prepay each insertion before publication date NET US dollars.

New advertisers and agencies must prepay their first insertion. After credit approval, we bill following publication. No advertiser or agency with invoices more than 60 days outstanding will be required to place advertising or contract for exhibit booths until all outstanding invoices are paid. Advertisers and agencies with records of delinquent payment to ASIS International will be required to prepay until they have re-established good credit.

Payments received will be credited to the oldest outstanding balance.

DISCOUNTS, REBATES, AND SHORT RATES: You will be billed at the one-time rate unless we have entered into an advertising contract. An advertiser who does not complete a committed schedule will be subject to a short rate.

COMMISSIONS: Commissions of 15% of gross billing for space and color are granted on accounts paid within 30 days of invoice date. 15% commission is available on all space. Mechanical charges, tip-in charges, and classified advertising are not commissionable. Commissions are extended only to recognized agencies.

We require written confirmation of the agency appointment from the advertiser. If we bill the advertiser, our invoice will be for the gross amount.

CANCELLATIONS AND CHANGES: Cancellations of or changes to existing insertion orders must be made in writing before the publication’s closing deadline to which the insertion order applies. Ads cancelled after the issue closing date will be billed at the prevailing space rate.

CONDITIONS: All advertising is subject to publisher’s approval and agreement by the advertiser to indemnify and protect the publisher from loss of expense or claims to suits based upon the subject matter of such advertisements.

You may make promotional references to Security Management with prior written permission.

We reserve the right to place the word “advertisement” with copy that could be mistaken for editorial material.

Insertion orders placed by an agency represent acceptance of all terms and conditions in this rate card. We are not bound by conditions appearing on order blanks or copy instructions when such conditions conflict with terms and conditions. Nor are we bound by conflicting contracts and orders received from advertiser or agency.

Agency and advertiser are jointly and severally responsible for all space, color, position, and mechanical service charges incurred by either.

DISCOUNTS: Contracts cover placements within a 12-month period beginning with the month of first placement. Contracts provide advertisers with rate protection for the length of the contract, so long as all placements are fulfilled.

FREQUENCY:
- Multiple ad placements within the same product count toward contract frequency discounts.
- Subsidiary companies can share frequency under a parent company “umbrella”contract.
- Frequency and umbrella discounts will not be honored if all components of original contracted program are not fulfilled.

SERVICES TO ADVERTISERS: We can assist in making modifications to your advertisements if allotted enough notification before publication date. Charge for services: Cost plus 20% (non-commissionable; charges start at $200 minimum).
