  - b. Technical committee level and working group level (see requirements outlined in the new member guide for details relative to time, commitment, and other expectations). **NOTE:** One person per organization permitted at the working group level.
  
4. Describe your organization’s direct and material interest as well as expertise in this area of standards development.

5. Are you or the organization you work for associated in any way with a certification body providing conformity assessment activities against the ANSI/ASIS PSC.1 Standard or ISO 18788?  
Yes or No

If yes, please provide an explanation of the business relationship.

6. If you have relationships that could be perceived as a conflict of interest with any other organization(s), identify the organizations and briefly describe the nature of the relationship/potential conflict of interest.

7. What membership interest category best describes your (or your organization's) relationship to the activities of this standard? Please select one of the following:

1. Interest Categories:

- i. General Interest: Government, not-for-profit, academia, and other interested parties.
- ii. Producer/Service Providers: Consultants, service firms, and equipment manufacturers and suppliers.
- iii. User/Managers: Supervisors or persons in charge of day-to-day security management, operations or systems.

**Note:** If more than one interest category applies, please rate them in the order of participation preference.

8. Describe your or your organization's activities that justify the selected interest category.

9. Attendance at meetings is required. If selected, do you agree to attend meetings and actively participate as a member of the Technical Committee by fulfilling member obligations? Meetings are typically conducted virtually; however face-to-face meetings may be conducted on an as-needed basis.  
 Yes or No
10. I acknowledge and understand that should I fail to meet attendance requirements, I may be removed from the committee.  
 Yes or No
11. I confirm that I am submitting a brief bio outlining my experience/expertise for additional consideration. (Required)

I confirm that as an interested party, I have a direct and material interest in the PSC.2 Standard's project and agree to participate actively by fulfilling attendance, voting, correspondence, and other obligations. I agree to advise ASIS Standards & Guidelines of contact and/or interest category changes.

I understand that in the consideration of PSC.2 Technical Committee membership requests, the ASIS Secretariat shall consider the following: reasonable limits on technical committee size; balance or potential dominance of stakeholder interests; extent of interest expressed and the willingness to participate actively, and the representative identified by the organization, company or government agency.

I understand and agree that in order for ASIS International to disseminate the work of its Committees, it is necessary that I grant and assign ASIS International the rights necessary to adapt, copy, use, and publicly distribute my contributions or submittals made to ASIS International. I further understand that it is possible that my contributions may at some future date be included in a copyrighted work by ASIS International.
