Free Resources for Your Next Phase

Opportunity is everywhere in the security profession, particularly for someone with your specialized experience, knowledge, and skillset. Seize it with the help of ASIS International. We've partnered with Veterans and former law enforcement members like you to create tools that help you move into a fulfilling career in security management— available for free, no ASIS membership required.

Unlock your potential with these resources:

- **Branch-specific career maps:** Align your experience in the military or law enforcement to impactful security roles and discover ASIS certifications that can help you stand out.
- **Acronyms and Verbiage Translations:** Quickly get up to speed on security industry terms.
- **Statements of Accomplishments & Translations:** Build a resume that resonates with private sector hiring managers.

““ Operation Career Change’s career mapping resources were a game changer for me. They helped me zero in on the CPP as the next step and earning it has been a huge milestone in my career. Grateful for the guidance!””

—Andrew Henecke, CPP®, CBCP

Omaha Public Power District; Nebraska Air National Guard

““ Outstanding program! Responsive, excellent resources, quality!””

—Jeffrey Schwartz, PhD

Rowan University professor; former law enforcement officer
